

Browser-based user interface

Ease of use through versatile media

Example: Home page

The screenshot displays the COBA Signature Residences home page. The interface features a dark theme with a sidebar on the left containing navigation links: Home, Back, Fwd, Spaces, Living Room, LRT Lobby, Dining Room, Kitchens, Pool Area, Master Bedroom, Cameras, SMS, and Settings. The main content area shows the 'OCEAN HEIGHTS' logo with the tagline 'the most breathtaking of views'. Below the logo, a table displays outdoor sensor data: Outdoor Temperature at 29.0°C, Outdoor Humidity at 85%, and Outdoor Lux at 200LUX. A row of buttons includes Home (highlighted), Party, Away, Away Long, and Night. An 'Acknowledge Alarms' button is positioned below these. At the bottom, it states 'Technology provided by LONIX www.lonix.com'. An inset on the right shows a smaller version of the interface with updated sensor data: Outdoor Temperature at 5,5°C and Outdoor Humidity at 60%, and a 'Signature Apartments' button.
